**ENGINEERING DEPARTMENT REPORT – February 2008**

Following are the significant activities for the Engineering Department for the month of February:

1. Building inspections completed: 75
2. Plan reviews completed: Commercial: 3 Residential: 7
3. Building Permits Issued: 23
4. Meetings: 33  
Office consultations: 9  
Field conferences and inspections: 5
5. Excavation permits issued: 7
6. NPDES Phase II Stormwater permits issued: 0
7. Stormwater inspections: 0
8. Other Activities:
  - Lindberg Road:
    - Continue to monitor condition of road. Concerned that movement of subgrade continues.
    - No new information from INDOT regarding Atlas suit.
    - Providing mayor with a list of possible options, costs and timelines for corrective action.
  - Salisbury Safety Improvement Project, Phase II:
    - Ready to begin land acquisition.
    - Need to finalize construction plans.
  - Cumberland Avenue Reconstruction:
    - Provided final comments to Schneider on Engineering Report and traffic study.
    - Ready to wrap-up study and consider starting design on first phase.
  - Western Interceptor:
    - Project on schedule.
  - Purdue Transportation Plan, Phase 1A:
    - Environmental assessment documentation is on-going.
    - BF&S has submitted some alternative concepts for the connection of Harrison Street to River Road and Tapawingo Drive.
    - Grade review plans submitted to INDOT. Awaiting review comments.
    - Requesting appropriation from Redevelopment Commission to pay for Engineering Services.
  - Yeager Road, Phase I:
    - Ready to begin Survey and Engineering.
  - Yeager Road, Phase II:
    - Crossroad Engineers are working on Grade Review Plans.
  - Sycamore Lane Traffic Calming Project:
    - HE-BFS has submitted Grade Review Plans to INDOT for comment, still waiting for review.

- Master Contract returned from INDOT.
- Met with INDOT regarding right-of-way requirements and procedures for this HES project. City will need to complete some additional right-of-way acquisition steps to meet INDOT requests.

2008 Street Resurfacing Project:

- Shortlist of streets compiled and ready for review.
- Bid book started.

2008 Sidewalk Replacement Project:

- Starting design work and project specifications.

2008 Sidewalk and Ramp Project:

- Starting design work and project specifications.

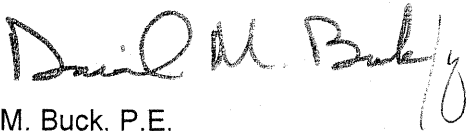

2008 CDBG Sidewalk Project:

- Estimates have been made for locations.
- Bid book started.

Green Meadows Lift Station:

- Replacement of Green Meadows Lift Station and Force Main improvements.
- Project awarded to Infrastructure Systems, Inc.

Respectfully Submitted,

A handwritten signature in dark ink, appearing to read "David M. Buck". The signature is stylized with a large, looped "D" and a long, sweeping underline that extends to the right.

David M. Buck, P.E.  
City Engineer
